

FREE

Hoarding Project

Do you need a hand with de-cluttering?

We have been funded by Croydon Council to run a hoarding prevention project.

Participants will be provided free group counselling sessions to identify why they collect items and what it would be like to consider letting things go.

You will also be introduced to De-Clutter Buddies who will help support you in your de-cluttering in addition to the counselling but this is not a requirement.

Sessions will take place fortnightly on Thursdays from 6.30pm to 8pm at Fairfield House, 10 Altyre Road, Croydon, CR0 5LA.

For more details and/or an information pack please phone counselling on 020 8763 2064
