

FREE CARERS' COUNSELLING SERVICE

Are you providing unpaid support for family or friends who could not manage without your help? Are you caring for a relative, partner or friend who is ill, elderly, disabled or has mental health or substance misuse issues?

HOW CAN COUNSELLING HELP?

As a Carer you may face a number of difficulties which are hard to deal with emotionally and which cause you distress. Counselling can provide you with an opportunity to talk about these emotional difficulties with someone who is trained to listen. It can help you to understand what you are experiencing and to see the difficulty in a more manageable way.

If you are a carer, 18 and over and live, work or are educated in the borough of Croydon, or if the person you care for lives, works, or is educated in the borough of Croydon then you are eligible to apply for Carers Counselling at Mind in Croydon.

The Carers Counselling Service offers up to 6 sessions.
Each session is FREE of charge.

Please telephone 020 8763 2064 or email counselling@mindincroydon.org.uk and provide your name and address.

You will be sent further information on the FREE Carers Counselling Service, how it works and what you can expect from it, and a short questionnaire to complete and return.

We endeavour to book an assessment appointment to you as soon as possible upon receipt of the completed questionnaire. This session will provide you with an opportunity to talk about your needs and difficulties.

If you would benefit from counselling, we will arrange for you to see a Counsellor for up to 6 sessions. There may be a waiting list. How long you have to wait will depend on your needs and availability.

If you would like to speak to a Counsellor you can do so by calling the number below Monday to Friday 9am to 5pm.
