

Donating Your Goods to Mind in Croydon

Your kind donations help us raise funds that go directly to support projects for people with mental health difficulties in Croydon.

How to donate your goods

We are always in need of good quality goods which can be dropped off at our shop during opening hours.

If you have anything you would like to donate we encourage all our valued donors to contact the Mind in Croydon charity shop on: 020 8662 9383, just to make sure we are able to accept your goods as, on occasion, we do get a bit overwhelmed with donations.

If the shop is closed, please don't leave donations outside. Your valuable donations left outside might be stolen, become unhygienic or be ruined by bad weather.

Thank you for your support
